

Nicola Mayo

Pontnewydd Nursery

Nicola recently decided to follow the Camau course as she works in a Nursery that provides Welsh sessions, so it was important to learn information and upskill brushing up on old information.

Why?

Nicola wanted to follow the course as she needed to speak Welsh for her job as a childcare practitioner at the Nursery.

One of the main benefits of following the online course according to Nicola was the fact that the course has helped her very much at the Nursery and also her children are learning Welsh at school so it's also nice to talk to them.

Result!

"Completing the online course was so easy, I could do it at my own pace. The recorded conversational resource was a great help to me and the songs on YouTube."

Nicola's Top Tips!

- Try to complete a unit a week.
- Write things down
- Don't worry you can always go back and redo a unit
