Cylch Meithrin Y Delyn

Lauren recently decided to follow the Camau course to help her speak Welsh as she works in a Cylch Meithrin.

Why?

Lauren wanted to follow the course as she needed to speak Welsh for her job as a childcare practitioner at the Cylch

One of the main benefits of taking the online course according to Lauren was the fact that the course helped me greatly after leaving school a long time ago. I thought I knew all the basics but doing the course has given me a greater understanding of the Welsh language and helped me develop my skills.

Result!

"Completing the online course was so easy I could do it at my own pace. I am looking forward to continuing to Mynediad 2."

Lauren's Top Tips!

- Listen to how the words are expressed and said out loud.
- Take your time working through the units.
- Continue to use Welsh even when you are not in work as you will be more confident in speaking it.
