The Weather – Y Tywydd

Introducing the topic of the weather with children through a fun lotto card game or circle time activity.

This activity will support children to co-operate and take turns, match pictures, practice memory skills and be introduced to new Welsh words /geiriau Cymraeg.

Resources - Adnoddau

- Practitioners can use existing weather flash cards or make their own e.g cut out and laminate pictures of the weather symbols you would like to use for example sunshine, rain, snow, wind etc.
- Practitioners will need a lotto board to match the flashcards/symbols used.

Activity outline - Amlinell Gweithgaredd

- Familiarise the children with the pictures initially by looking at them together
- Talk about the pictures and introduce the children to new words if necessary, see word bank below
- Show the children how to match the pictures on the board, starting with just one then introducing the others
- Once ready to start, each child chooses a board
- Spread out all the picture cards face down on a table or hard surface
- Each child takes it in turn to turn over a picture card., If a player turns over a picture that matches their board they get to keep it and place it on their board
- Each time a child turns over a word, be sure to model the language for each picture. As the child picks up the words, reduce the modelling/prompts
- Any card that does not match once turned over, goes face down again
- Other players should watch carefully and try to memorise the position of any cards turned over which match their board, so they can try and find them when it is their turn
- The winner is the first to cover all the pictures on his or her board, however you may want to carry on playing so the other children can finish their boards
- Refer to the wordbank and useful phrases below for suggested Welsh language vocabulary to ask the children questions.

Extended activity

- Use the flashcards to play snap or matching pairs
- Use the additional useful vocabulary to talk about the weather with children at circle time.
- A natural topic for discussion when talking about the weather would be what clothes we need to wear.

Create a wintery Scene

Creu golygfa gaeafol

Introduction – Cyflwyniad

Create a wintery scene – **creu golygfa gaeafol** by making snow cloud dough / **Toes cwmwl eira.**

This fun activity not only gives the opportunity for children to learn new Welsh words / **geiriau Cymraeg**, it allows them to be messy! Something most children enjoy.

With snow cloud dough, the children can create a wintery scene in their own individual trays by adding objects such as cars and trucks to drive through the snow and build snowmen*. You can question, what happens in winter? Discuss the changes in temperature and the clothes we wear to keep warm and cosy.

Not only is sensory play something that can be enjoyed by children of all ages, it is an essential component to their learning and development by supporting experiential learning about the world around us.

*(We know that children learn best when they can associate their learning with real life contexts, however, not all children may have experienced snow or seen a snowman. Consider using stories and books that feature snow and snowmen, watch videos online of snowy scenes and snowmen or if you are very lucky and you have a snowy day, be sure to take the children outside (appropriately dressed) to experience it first-hand.)

Activity outline - Amlinell gweithgaredd

Get the aprons ready and let us have fun making a wintery scene with snow cloud dough!

1. Measure / **Mesur** four cups of plain flour / **blawd plaen** or cornflour / **blawd corn** and add one cup of oil / **olew** into the mixing bowl
2. Encourage the children to help with the mixing / **cymysgu** - if you have a large group, consider giving the children their own individual bowls and spoons, with the ingredients ready to mix, along with their own individual trays to put the mixture onto
3. Mix the ingredients until you have a crumbly texture, pour onto the individual trays to make a blanket of snow
4. To make a snowman, demonstrate to the children how to knead and shape a ball for the body and a smaller ball for the head
5. You can collect little twigs from outdoor play for the arms of the snowman and maybe a black felt tip pen to draw a nose.

Whilst the children are creating their wintery scene, encourage them to share their thoughts about winter and about what they are doing. Ask questions like, how does the snow cloud dough feel? / **Sut mae'r toes cwmwl eira yn teimlo?** Use descriptive words from the word bank and useful phrases below to help you introduce new Welsh words.

Ask questions about:

- What happens in winter / **Y Gaeaf**
- How the leaves fall off the trees
- Why animals hibernate / **gaeafgyssgu**
- Why we wear warm cosy clothes to keep us warm
- Can you think of the clothes we wear in winter?

Autumn and Harvest

Cynhaeaf a Hydref

This vocabulary factsheet has been developed to help you to support children to develop their language skills, in order for them to become confident using the Welsh Language, use the following vocabulary when discussing Autumn and Harvest / **Cynhaeaf a Hydref**.

You may use the words incidentally throughout play, and use one or two of the words in Welsh in the context of an English sentence if you do not feel confident using full Welsh sentences.

The more of these words you use incidentally, the more children will hear the Welsh Language as part of their daily activities and use this to develop their linguistic skills through repetition.

You may also use these words to create labels to place on wall displays or toys around your setting.

- Ewch ati i greu byd bach lan y môr. Fyddwch yn creadigol yn ddefnyddio eitemau wahanol fel papur tywod, bapur tisw, cregyn ac ati.
- Mae lluniau 3d yn gallu fod yn syml gan rhoi plasticine ar gwaelod bocs plastig. Pwyswch siapiau neu eitemau o’ch ddewis. Yna ychwanegwch cymysgiad o plaster paris (tewder o 1”). Gadewch I setlo. Unwaith maent wedi setlo ewch ati I droi rhain allan yn ofalus a pheintiwch.
- Defnyddiwch darn hir o bapur (mae hen papur wal yn dda am hyn) gludwch lluniau o cylchgronau neu ewch ati I creu olygfa o’ch ddewis, lan y môr neu yr glwad. Defnyddiwch hwn fel rholyn côf. Wrth rholio allan pwy sy’n gwybod beth sy’n dod nesaf? Allwch osod ar y llawr rhwng dau cadair.
- Yn ddefnyddio’r un syniad ag uchod ewch ati i greu stori.
- Gludio lluniau ar ddarnau o cardfwrdd ac yna torri siapiau i greu jigso.
- Creu marciau yn ddefnyddio llinyn. Cymyswch phaent a phâst. Rhowch y llinyn yn y cymysgedd ag rhowch ar bapur. Unwaith mae hwn wedi sychu fydd y llinyn yn sticio i’r papur.
