The Farm

Y Fferm

This is a basic picture matching activity, which will allow you to introduce the Welsh language into daily play and use the language in conversation with individual children as part of their daily activities.

The game itself can be played by one or more children, therefore encouraging turn taking as well as developing linguistic skills, fine motor skills and hand-eye co-ordination.

Activity outline – Amlinell gweithgaredd

- Print two copies of the picture grid
- Laminate one of the sheets as it is and cut out the squares from the second sheet, before laminating them and again cutting around them, leaving you with six picture cards
- Place the six cards face down on a flat surface near the laminated picture grid
- Invite the child (or children, in turn) to pick a card and place it on the matching square on the grid
- Repeat until all the cards have been matched
- To include familiar words, name the animals and their colour as the children match the cards
- You may also encourage the children to imitate the sound of their chosen animal following their turn picking a card.

Extension / Variation

Why not conduct the activity outside, so the children can sit in the grass and enjoy the surroundings as they would in the fields on the farm?

- Why not get hold of various animal feeds (ensure safety for handling by children) such as corn, hay and so on and place in a large, deep container. Then, place the six cards in the container so they are at least partially covered before asking the children to start selecting them. This is a great way for the children to learn more about the animals and how their diets differ from ours and to experience the various textures and smells
- You could encourage the children to match the animals with their babies to learn additional Welsh words.

Dear Zoo - Mask Making

Annwyl Sw - Gwneud Mwgwd

Reading and sharing stories can:

- Help children get to know sounds, words and language
- Develop early literacy skills
- Spark their imagination
- Stimulate curiosity.

This activity is based around the Dear Zoo / **Annwyl Sw** story book.

The children will be introduced to new words through story time / **amser stori** and by taking part in this mask making activity.

The activity supports the development of:

- Children's communication skills
- Language and literacy skills
- Fine motor skills.

Activity outline / Amlinell gweithgaredd

- Laminate the printed copies of Teddy and the clothes
- Cut around the shapes leaving a small border so that the laminate stays sealed (don't cut around Teddy, as it is better as an A4 size)
- Arrange the clothes on a surface with the picture of Teddy in the centre.
- Ask the child to dress Teddy.

Extension activity:

- Play the YouTube link in the further resources section so the children can watch the story of Teddy Twts Clothes/[Dillad Tedi Twt](#) and encourage the children to find the matching items of clothing, naming them as they do so.
- Refer to further support link below for colours on our "Parts of the body songs" factsheet.

Suggested activity ideas

Awgrymiadau a syniadau o weithgareddau

These activities will help the children to develop their language skills using Welsh appropriately in a structured play activity. Children are beginning to become aware of the similarities and differences between themselves and their peers and through such activities they will learn about parts of the body and features of the face, as well as shapes, colours and counting (how many eyes they have, how many fingers and toes etc).

Hand and feet painting

Peintio dwylo a traed

During this activity, the children will be exploring the shape and features of the hands and feet in Welsh and discussing the colours of the paints in Welsh.

Making face pictures

Gwneud Llyniau o'r gwyneb

Use different shapes such as a potato cut in half and dip it into the paint to create a face on paper or ask them to paint a self portrait by looking in the mirror and discussing with them their hair length, eye colour etc.

Parts of the body and face can be found in separate factsheets the details are below in further support.
