## Cylch Meithrin Trelai

Angela recently decided to follow the Camau course so that she can practise the language she already knows.

### Why?

Angela wanted to follow the course as she needed to speak Welsh for her job as a childcare practitioner at the Cylch.

One of the main benefits of following the online course according to Angela was the fact that the course had helped to improve her vocabulary, Angela had used the "vocabulary" resources available when taking the course.

### Result!

"Completing the online course was so much very good."
